COLOUR WARS

A great time was had by everyone who turned up to play in our annual Colour Wars; boys v girls in 7/8, 9/10 and 11/12. This year the boys managed to win all the games but the girls had plenty of chances—just couldn't get the ball in the net. Thanks to all the kids who filled in for each age group and thanks to the parents who jumped on to help the 11/12 girls. There were some epic battles between Dash and Ken, Augie and Dean and Bryson and Mel (the parents came out winners every time!). Congratulations to the players in the best outfits—Leon in his all neon-pink tutu, Keno in the neon pink balaclava (why would someone need a balaclava in neon pink??), Dash in an eggplant,

Max in his tutu and tiara and, of course,

Darrel in his MJ wig!
Simply Splendid!
