It was great to see our youngest players at Lakelands, joining in our Indigenous Round! They brought lots of energy and enthusiasm and many of them took part in the Smoking Ceremony and the sand art. There were a lot of good skills on display. The future of hockey at FCHC looks bright!

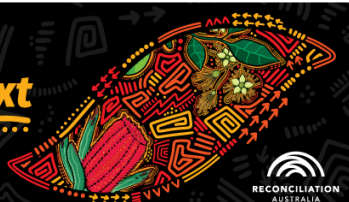

NATIONAL RECONCILIATION WEEK 2025

Bridging Now to Next

INDIGENOUS ROUND 2025

Another fantastic celebration of our Indigenous culture and people was held over the weekend. The weather was perfect. Shannon and Charmaine led a powerful Smoking Ceremony and invited all the kids and parents to cleanse themselves in the smoke. Most of the attendees took the chance to walk through the smoke.

Everyone was then invited to add their hand prints to our new banner, which carried the 2025 National Reconciliation Week message *"Bridging Now to Next"*. Thanks so much to Sinta for the beautiful artwork on the banner. Bridging Now to Next reflects the ongoing connection between past, present and future and calls on all Australians to step forward together, to look ahead and continue the push forward as past lessons guide us.

Native food was shared around—samples of kangaroo, crocodile and emu. The consensus was that crocodile does, in fact, taste like chicken!

Lots of kids enjoyed making sand pictures and artwork.

Indigenous Round coincides with National Reconciliation Week. Reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians. National Reconciliation Week is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to making our communities places where everyone has the same opportunities to thrive - at school, at sport or at work.

A GIANT THANK YOU TO ALYSIA AND SINTA WHO ORGANISED EVERYTHING AND DID AN AMAZING JOB!!

As a part of Indigenous Round we have the Kulbardi Spirit Award which is awarded to a player on each team who works hard to make the game a positive experience for everyone involved, both players and non-players, including coaches and umpires.
