QUIZ NIGHT

The Junior Quiz night was held on Saturday, with more than 60 would-be brain boxes turning out to flex their intellectual muscle.

Competition was fierce with the 5/6 Girls team, high after their first win of the season, taking it right up to the older players from the 9/10 and 11/12 teams!

Eventually the team, "The Finding Dorys" got the job done but it was the dressing up of Disney/Pixar characters that was the highlight.

We had many Minions, multiple Mickey and Minnie Mice (or is that mouses?), a few Jesses from Toy Story and even Eliot, from the 11/2 Boys team, as Tinkerbell! The best dressed competition came down to a battle between

Princess Leia from Star Wars (Max, 11/12 Boys) and Sadness from Inside Out (Jenson, 7/8 Boys). Jenson's reasoning for wanting to win was "the only thing that will make me happy" outstripped Max's reasoning of "I'm a princess, so I get what I want" and the blue faced keeper took away the prize.

Congratulations to Alysia, Sinta and World Champion scorer Tim along with all the parents, participants and all junior Magpies who made the event a brilliant success. Thanks to Will, as well, for taking on the Quiz Master role – his enthusiasm and energy led to a great vibe for the whole event.
